MEMORANDUM FOR ALL CAP UNITS

FROM: HQ CAP/DO

SUBJECT: **Inland SAR Coordination Course Schedule for Fiscal Year 2002**

1. The FY 2002 Inland SAR Coordination Course schedule is listed below. This is an outstanding course for our mission managers. The SAR School describes it as a 'graduate-level' class for experienced on-scene decision makers, planners, operations leaders, and direct support staffs. CAP applicants must be incident commanders/mission coordinators or nearing that status; ops, planning, logistics, admin chiefs, pilots/observer/scanner; and others with **substantial** CAP emergency services experience who are committed to progressing to mission management positions in emergency services. Each class has 24 openings with six of those openings reserved for CAP.

2. To apply for a CAP slot, submit a completed and signed CAP Form 17 through your unit, wing, and region commander to HQ CAP/DOS. To preclude "form loss syndrome," you should fax a copy of your original application to us to establish your intent to attend (or email intent). Application deadlines are not later than 60 days before class start date (we have a 45 day prior suspense). **Students must firmly commit to attend** when our list is finalized and submitted to the SAR School. Check early with your employer. Please contact us if you have to make special plans (vacation) to attend. Do not assume or hope that you will be selected. While the classes are offered free of charge, each student is responsible for all personal expenses, travel, lodging, meals, etc.
